

13th Annual Canal Pride STEWARDSHIP OPPORTUNITIES

Looking for a service project for your business, corporate employer, or organization where you can make a real impact? Join us along the C&O Canal and help keep our national park safe and welcoming for the five million people of all ages who visit the C&O Canal National Historical Park annually for rest, recreation, and the enjoyment of nature and history.

Help us tackle work essential to preserving and beautifying the Park: campground and trail improvements, historic preservation efforts, invasive plant and trash removal, planting trees and flowers, and more.

Each year, the C&O Canal Trust organizes and hosts Canal Pride community service projects in the Park. These projects are a great opportunity for your employees to help the community, while bonding and enjoying the great outdoors. We will work with you to find a date, location, and project for your group, to be planned and led by C&O Canal Trust staff or a trained leader. The Trust will provide all supplies, tools, and protective gear for each project, and will coordinate site selection, permitting, logistics, and trash removal. A typical event lasts approximately three hours.

To help cover costs and support the Canal Pride program, we ask our corporate and other partners to consider making a stewardship donation:

- Up to 15 volunteers: \$500 - Lockkeeper Level
- Up to 25 volunteers:..... \$750 - Lockkeeper Level
- Up to 50 volunteers: \$1,500 - Canal Preserver Level
- More than 50 volunteers:..... \$2,500 - Canal Traveler Level

**Donations are 100% tax-deductible and help cover costs of materials and project management.*

See page 2 for Sponsorship Benefits.

For more information about hosting your own Community Service project, please contact Rod Newtown, Program and Volunteer Coordinator, at newton@canaltrust.org.
