

2023 Canal Community Days

SPONSORSHIP OPPORTUNITIES

You – or your business – can make a direct impact on the experience of the over five million visitors of all ages expected to visit the C&O Canal National Historical Park (NHP) in 2023 for rest, recreation, and the enjoyment of nature and history.

Become a Canal Community Days Sponsor, and enable the C&O Canal Trust to recruit and manage hundreds of volunteers throughout the year to undertake preservation, conservation, maintenance, and beautification projects along the 184.5-mile length of the canal from DC to Cumberland, Maryland. Projects include campground and picnic area improvements, towpath and trail repairs, building maintenance and historic preservation, invasive plant and trash removal, native landscaping, and more.

Since 2008, the C&O Canal Trust has organized projects dedicated to preservation and beautification of the Park. Since then, over 12,000 volunteers have committed their time and energy to care for this special national park.

We rely on the support of our Sponsors to help fund public volunteer projects each year. To show our gratitude for your commitment to the community, and the well-being of the C&O Canal NHP, the C&O Canal Trust offers a number of benefits, including signage in the Park and recognition on our website, social media, and in media releases. As a Canal Community Days Sponsor, you are demonstrating your commitment to preservation, conservation, recreation, and economic development.

See page 2 for Sponsorship Benefits.

To become a sponsor or for more information, contact Lauren Riviello, Director of Development, at riviello@canaltrust.org.
